EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement ("**Statement**") accompanies and forms part of the Company's Notice of Annual General Meeting ("**Notice**") for the 2020 Annual General Meeting ("**Meeting**") will be held virtually via a webinar conferencing facility at 2.00pm (AEDT) on Tuesday, 24 November 2020.

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2020 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: <https://ptxtherapeutics.com/> or via the Company's announcement platform on ASX. Except for as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on, the 2020 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company's 2020 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's June 2020 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that shareholders vote in favour of this Resolution to adopt the Remuneration Report.

- Dr James Campbell would hold 1,415,000 options; and
- Dr Allen Ebens would hold 1,415,000 options.

If each respective Director's options were to be exercised (assuming no other director exercised their options, and there were no other issues of shares, including those relating to proposed resolutions to be considered at this Meeting), the above percentages would increase as follows:

Director	Existing%	New %	Options (New)
Mr Steven Yatomi-Clarke	0.80%	2.81%	12,900,000
Mr Steven Engle	0.00%	0.33%	2,100,000
Dr James Campbell	0.03%	0.19%	1,000,000
Dr Allen Ebens	0.00%	0.16%	1,000,000

Corporations Act

The Board has formed the view that the issues of Options to the above Directors (or their respective nominee(s)) do not require Shareholder approval under section 208 of the Corporations Act as the issues constitute "reasonable remuneration" in accordance with section 211 of the Corporations Act.

A "financial benefit" is defined in section 229 of the Corporations Act and includes granting an option to a related party.

Section 228 of the Corporations Act defines a "related party" for the purposes of Chapter 2E to include:

- directors of the public company (section 228(2)(a)); and
- an entity controlled by directors of the public company (section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in subsection (1), (2), (3) or (4) at any time within the previous 6 months.

In reaching this view, the Board considers the proposed grant of Options aligns the interests of each of the above Directors with the interests of Shareholders. The grant of Options to each of the above Directors is a cost-effective form of remuneration when compared to the payment of cash consideration.

In order to compensate the above Directors in line with current market practices, Options provide an appropriate and meaningful remuneration component to the above Directors that is aligned with Shareholder interests. The proposed base levels of Options of reflect the contributions of each respective Director to the Company.

If these Resolutions are passed and the Options are issued, each of the Directors proposed to receive securities under these Resolutions (including direct and indirect interests) will have a relevant interest as set out in the table on above.

ASX Listing Rule 10.14

The Company is proposing to issue the Options under the Plan, which is an employee incentive scheme as defined in the Listing Rules.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1: a director of the company;
- 10.14.2: an associate of a director of the company; or
- 10.14.3: a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The proposed issue of the Options falls within Listing Rules 10.14.1 and/or 10.14.2 above and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolutions 4 to 7 seek the required shareholder approval to the issue under and for the purposes of Listing Rule 10.14.

If Resolutions 4 to 7 are passed, the Company will be able to proceed with the issue of the Options and the Directors (or their nominees) will receive the numbers of Options set out in the table on page 8, with the increase in their remuneration and potential increase in their shareholdings as described on page 10.

If Resolutions 4 to 7 are not passed, the Company will not be able to proceed with the issue of the Options to the applicable Director(s), and the applicable Director(s) (or their nominees) will not receive the Options or potential shareholdings as described on page 8.

If approval is given under ASX Listing Rule 10.14 approval is not required under ASX Listing Rule 7.1.

The following information is given under ASX Listing Rule 10.15 in respect of the proposed issues of Options to each Director under Resolutions 4, 5, 6 and 7 (respectively):

- (a) the proposed recipients are Mr Steven Yatomi-Clarke, Mr Steven Engle, Dr James Campbell and Dr Allen Ebens, each of whom is a Director of the Company, or their respective nominees (each of which would be an associate of the respective Director);
- (b) A total of 17,000,000 options are proposed to be issued to Directors as follows:
 - Mr Steven Yatomi-Clarke – 12,900,000
 - Mr Steven Engle – 2,100,000
 - Dr James Campbell – 1,000,000
 - Dr Allen Ebens – 1,000,000
- (c) the current total remuneration packages of each of Mr Steven Yatomi-Clarke, Mr Steven Engle, Dr James Campbell and Dr Allen Ebens are set out on page 8, above;
- (d) the following securities have previously been issued under the Plan:
 - Mr Steven Yatomi-Clarke – 3,500,000
 - Mr Steven Engle – 670,000
 - Dr James Campbell – 415,000
 - Dr Allen Ebens – 415,000
- (e) each Option will have an exercise price calculated in accordance with the tables on pages 8 and 9 and will vest as set out in the table, will expire 4 years after grant date and will, upon exercise, entitle the holder to one fully paid ordinary share in the Company. Full terms of the Options are set out in Annexure A;
- (f) the Company is issuing options as a form of equity security as a cost effective, non-cash incentive to Directors. The options will be recognised as an expense to the Company over the vesting period at the independent valuation outlined above.
- (g) the value the Company attributes to the Options is set out on page 8 and 9 above;
- (h) the Options will be issued no later than one month after the Meeting;
- (i) the Options will be issued as remuneration. As such there is no issue price for, and the Company will not receive cash from issue of the Options. Funds raised upon exercise of the Options will be applied to the working capital requirements of the Company at the time of exercise;
- (j) a summary of the material terms of the Plan is included in Annexure B;
- (k) no loans will be made to the Directors or their nominees in relation to the acquisition of the Options;
- (l) details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolutions 4, 5, 6 and 7 are approved and who are not named in this Notice and Statement will not participate until approval is obtained under that rule; and

(n) a voting exclusion statement is contained within the Notice.

Board Recommendation

The Board (with the respective directors abstaining in relation to the relevant Resolution regarding their own proposed Options) recommends that shareholders vote in favour of the Resolutions. The Chairman will vote undirected proxies in favour of these Resolutions.

Resolution 8: Ratification of Appointment of Auditor

Background

On 30 June 2020, in accordance with section 327C of the Corporations Act 2001, the Company appointed William Buck Audit (VIC) Pty Ltd (**William Buck**) as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, Ernst & Young Global Limited, in accordance with Section 329(5) of the Corporations Act 2001.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, William Buck holds office as auditor of the Company until the Company's next Annual General Meeting, being the meeting the subject of this Notice of Meeting.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of William Buck as auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act 2001, notice in writing nominating William Buck as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice of Meeting as Annexure C.

The appointment of William Buck will be by vote of Shareholders as an ordinary resolution.

William Buck has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

Resolution 9: Ratification of Prior Issue of 128,110,565 Fully Paid Ordinary Shares

The Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the prior issue of 128,110,565 fully paid ordinary shares to professional and sophisticated investors under a Placement in accordance with ASX announcement dated 26 August 2020. An Appendix 2A in relation to this issue was lodged with the ASX on 31 August 2020.

ASX Listing Rules 7.1 and 7.1A allow the Company to issue new securities up to 25% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders. The issue of Shares under the Placement was within the Company's available placement capacity under ASX Listing Rules 7.1 and 7.1A.

ASX Listing Rule 7.4 provides that where a company's shareholders ratify the prior issue of securities made pursuant to ASX Listing Rule 7.1 and/or Listing Rule 7.1A (provided that the previous issue of securities did not breach ASX Listing Rule 7.1 or 7.1A) those securities will be deemed to have been issued with shareholder approval for the purposes of ASX Listing Rule 7.1 and 7.1A (if applicable). The prior issue of ordinary shares on 31 August 2020 continues to use the capacity of the company to issue further securities without shareholder approval. The Company seeks approval under Listing Rule 7.4 to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1 and 7.1A. If the shareholders pass this Resolution then the shares issued on 31 August 2020 will no longer use the capacity of the Company under the ASX Listing Rules and the Company will be able to issue equity securities using the refreshed placement capacity without shareholder approval. If shareholders do not pass this Resolution then the shares issued on 31 August 2020 will continue to use the capacity available to the Company under the ASX Listing Rules.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the securities were issued to clients of Reach Corporate Pty Ltd, Cumulus Wealth Pty Ltd, Viriathus Capital Pty Ltd and Argonaut Securities (Nominees) Pty Ltd who are professional and sophisticated investors;
- (b) the number and class of securities issued were 128,110,565 fully paid ordinary shares in the Company;
- (c) the shares were issued on 31 August 2020;
- (d) the shares were issued at an issue price of \$0.055 (5.5 cents) per share;
- (e) funds raised from the Placement will be utilised for development of targeted therapies; Cell Therapy Enhancements; the development of the Company's next generation CAR-T platform, OmniCAR; working capital; and costs of the offer.

Board Recommendation

The Board unanimously recommends that shareholders vote in favour of this Resolution. The Chairman will vote undirected proxies in favour of this Resolution.

Resolution 10: Renewal of Proportional Takeover Position

Background

Clause 35 of the Company's Constitution contains provisions dealing with shareholder approval requirements if there were to be any partial takeover bids for the Company's securities (**Proportional Takeover Provisions**).

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities held by each shareholder in a class for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only part of the securities each holds.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Proportional Bid Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the members. The Board believes it is appropriate that the Proportional Takeover Provisions of the Company's Constitution (Clause 35) be renewed.

In seeking shareholder approval for the renewal of the Proportional Takeover Provisions, the Corporations Act requires the below information to be provided to members.

Effect of provisions proposed to be renewed

Clause 35 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid unless and until after the proposed transfer has been approved by shareholders at a general meeting of the Company (Prescribed Resolution). The person making the offer for the securities (Offeror) (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than one half of members who are entitled to vote at that meeting.

Clause 35 also provides that a transfer giving effect to a contract resulting from the acceptance of an offer made under a proportional takeover scheme must not be registered unless and until a prescribed resolution to approve the proportional takeover scheme has been passed or is taken to have been passed in accordance with Clause 35.

Reason for the resolution

Clause 35 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 35 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables shareholders to approve a renewal of Proportional Takeover Provisions.

The Board believes that shareholders should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). To preserve this choice, Clause 35 needs to be renewed. If Clause 35 is renewed and any proportional takeover bid (if any) is subsequently approved by shareholders, each shareholder will still have the right to make a separate decision whether that shareholder wishes to accept the (proportional takeover) bid for their own securities.

Awareness of current acquisition proposals

As at the date of these Explanatory Notes, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Proportional Bid Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the last renewal of the Proportional Bid Provisions, there has been no application of Clause 35. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Clause 35.

Potential advantages and disadvantages of the proposed resolution for both directors and shareholders

An advantage to the Directors of renewing the Proportional Takeover Provisions is that the Board will be able to assess the shareholder's acceptance or otherwise of a proportional takeover bid should one be made.

As stated above, renewing Clause 35 provides shareholders with the choice of considering whether to accept a bid for what might become control of the Company without shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a proportional takeover bid). If Clause 35 is not renewed, shareholders will not have this opportunity.

On the other hand, it may be argued that the renewal of Clause 35 may make proportional takeover bids more difficult to succeed and therefore effectively discourage proportional takeover bids being made and reduce the freedom for shareholders to sell some of their securities.

Board Recommendation

Balancing the above advantages and disadvantages, the Board is of the view that the advantages of renewing the Proportional Takeover Provisions outweigh any disadvantages and unanimously recommend the renewal. Accordingly, shareholder approval is sought pursuant to this Resolution. The Chairman of the meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 12: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this Resolution, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of quoted Equity Securities, being Shares and Listed Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer above).

(e) *Nature of consideration for issue and Minimum Issue Price*

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 24 November 2020, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 24 November 2021;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below (in the case of Listed Options, only if the Listed Options are exercised). Shareholders may also be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 9 October 2020 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.033 50% decrease in Current Share Price	\$0.066 Current Share Price	\$0.132 100% increase in Current Share Price
Current Variable A 640,553,010 Shares	10% Voting Dilution	64,055,301 Shares		
	Funds raised	\$2,113,825	\$4,227,650	\$8,455,300
50% increase in current Variable A 960,829,515 Shares	10% Voting Dilution	96,082,952 Shares		
	Funds raised	\$3,170,737	\$6,341,475	\$12,682,950
100% increase in current Variable A 1,281,106,020 Shares	10% Voting Dilution	128,110,602 Shares		
	Funds raised	\$4,227,650	\$8,455,300	\$16,910,599

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including existing Listed Options and/or any Listed Options issued under the 10% Placement Facility) are exercised into Shares or other convertible securities are converted to Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The Current Share Price is \$0.066 being the closing price of the Shares on ASX on 9 October 2020.
- (e) The Company will only issue and allot the Equity Security during the 10% Placement Period. The approval under this Resolution for the issue of the Equity Securities will cease to be valid in the even that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.
- (g) The Company:
- (i) has not issued, nor agreed to issue, any Equity Securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
 - (ii) had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any Equity Securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Directors Recommendations

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.
